

# A traditional British Boarding School

Cultural and recreational trips

Clubs, games and

fun with friends

Lots of sports and activities

Enjoy our stables, farm and countryside

## Making life easier for international families

We can provide or help arrange transport to and from airports at the beginning and end of terms, and for half-term breaks.

MILTON

ABBEY

Some beds are available during 'Exeats', for those who can't get home or stay with their UK Guardian as normal.

We are **very flexible** about how you study. Join in any year group and choose your ideal course length - from one term to the full five years.

# One of the UK's widest ranges of courses

Mix and match to create the ideal study programme to achieve your future goals. Choose from traditional subjects and cutting-edge vocational courses, such as Entrepreneurship and Digital Content.

**UR STUDENTS** 

# **208** students aged **13 to 18**

Boys & Girls

**OUR SCHOOI** 

**Every student is individually known and nurtured** 

## 67% **UK Nationals**

Our international boarders love making lots of local friends and having an authentic British **Boarding School** experience.

## 33% International

International boarders come from more than countries. There is no predominant group we are truly cosmopolitan.

#### **Building Confidence**

- We specialise in motivating young people to achieve
- We identify each student's strengths and use them to address any challenges
- Our excellent Learning Support Department builds confidence and life-long skills

# **Intensive English Skills**

- Three dedicated EAL teachers provide specialist support
- Small classes promote **English** improvement in all subjects
- Speaking English all day with staff and friends quickly develops natural language skills

### **Excellent Pastoral Care**

- We work in partnership with families, with lots of communication
- Experienced boarding teams provide close care and mentoring, focusing on wellbeing
- 1:4 staff to student ratio in many areas
- An on-site 24-hour Medical Centre

UR SPOR

# Sports

Φ

**Team sports** include cricket, rugby, hockey, football and lacrosse

**Individual sports** include running, cycling, swimming, sailing, golf, shooting, badminton and tennis

Play a huge range of traditional and modern sports, for both teams and individuals. We help every student find a sport they can enjoy and excel in. Students have excellent opportunities to

represent the school, but playing team sports is not compulsory.

**Equestrian sports** include polo, show-jumping and eventing

**Resident PGA Pro,** a private golf course and indoor golf simulator

Professional football training academy with five training sessions a week

# 5% of students play in school teams

# We help students achieve their aims for the future **98%** left to their **1st** choice destination

Leavers'

destinations

included **Top universities** 

their own business

FUTUR

# 6 pass rate for A Levels & BTECs
